3 Önas Spartacus has won three of seven races this year. Now debut for Mattias Djuse, which is interesting. The four-year-old is a quick starter and from the lead he is the horse to beat. **12 Kapten Nemo** returns after a break. Top efforts throughout the spring and has to be considered despite the starting position. **5 Dark Steed** scored a good win at Bollnäs in April. In the mix with a similar effort. **1 Arvid Tilly** is good for this class and should be followed.

2 Lovebird Journey made an impressive debut which ended with a win finishing 12.4/1000. Good draw and nice task. Chases a new victory. **3 Bluebeat** has won two of three starts and is the main challenger to our pick. **4 Las Vega** is on the way up. Jepson this time is interesting. **6 Ava Garde** won directly last time for the new trainer and is probably improved by that race. Has to be considered.

7 Staro Raymond has done well so far. Wasn't at his best last time, but if he lives up to his full potential, he should have the best chance to win the race. **2 Turmfalke** came back well last time after an early gallop. Speedy, but not reliable at all. **9 Joyful Pace** is not bad for this class and gets a little better with each start. Nice lane for a defensive trip. Place chance. **4 Mixflower** scored a good win six starts ago. Faces too tough opposition now.

1 Boomtown won closely from the lead last time, but is certainly better with that run under his belt. Goes for the front again and from there he will not be easy to beat. **9 NY Voila** comes from an impressive victory. In the mix but needs some racing luck with this lane. **3 No Remorse** got locked in with energy left last time and scored a good win before that. Top form and has to be considered. **11 Mari** won easily from the lead last time. Other conditions now, but should not be discounted completely.

2 Västerbo Cookie won closely last time, but the effort was really good considering that she had not started since 2021. If she has taken that race the right way, she should have top chance. **5 French Omelette** has good skills, but doesn't always live up to her capacity. In the mix with the right trip. **9 Melrose Draviet** has tested the V75 on a few occasions and faces easier opponents here. **8 Full Speed Forward** is consistent and good and is mainly a place bet.

12 Ikaros Sisu looked good in the seasonal debut as third. High capacity and the fastest horse in the race. Debut over the short distance and poor draw, but still our pick. **5 Speed Cash Vicane** comes from a good win. Wins often and fights for victory. **8 Kainai Goj** hasn't convinced lately. Likes the distance and early contender with the right trip. **4 Extremely Sweet** is a quick starter and should he find the lead, he has to be followed.
