RACE 1

GBI RACINGGoing: **Chase course: Good to Yielding (Yielding in places), Hurdles course: Yielding (Good to Yielding in places)**

The Leopardstown course is a wide, left-handed oval track, about a mile and three quarters in length. The course is fairly level with easy turns except for a slight rise from the last bend. Leopardstown provides a fair test, although three of the fences in the back straight are close together and occasionally catch out the less-accomplished chaser, and the finishing straight is relatively short. The inner hurdles course, used occasionally, is rather sharper in character than the chase track and tends to provide a significant test of tactical speed.

KOPEK DES BORDES created an excellent impression when running out a wide-margin winner of his sole outing in bumpers at Fairyhouse in March and looks one to follow now switching to hurdling. Whinney Hill, Kawaboomga and Yeshil head up the opposition in what is likely to prove an informative maiden.

BETTING FORECAST:

TIMEFORM VIEW:

REDEMPTION DAY comes to hurdling quite late but still rates a most exciting prospect based on his bumper exploits (Grade 1 winner in May), so he's taken to get his career in this sphere off to the perfect start. William Munny is another who boasts good-quality bumper form and can make his presence felt, with Workahead also feared following an encouraging hurdling debut at Navan earlier in the month.

WILLY DE HOUELLE was turned over at short odds by Naturally Nimble in a Grade 3 at Fairyhouse at the beginning of the month, but he impressed with the way he went through the race and is taken to reverse the form now that he meets that rival on 3 lb better terms in a refitted hood. Murcia ran to a useful level when opening her account by a wide margin in an Auteuil listed event in June and strong market support for her would put a slightly different slant on matters.

TIMEFORM VIEW:

LOVE ME took a sizeable step forward when landing a big-field handicap at Navan last month and, with the performance supported by the timefigure, she's taken to defy an 8 lb rise and follow up. Johnny Blue shaped encouragingly on his recent stable debut at Cork and is second choice, with Addragoole another to consider having been handed a fair-looking opening mark.

Going: **Chase course: Good to Yielding (Yielding in places), Hurdles course: Yielding (Good to Yielding in places)**

The Leopardstown course is a wide, left-handed oval track, about a mile and three quarters in length. The course is fairly level with easy turns except for a slight rise from the last bend. Leopardstown provides a fair test, although three of the fences in the back straight are close together and occasionally catch out the less-accomplished chaser, and the finishing straight is relatively short. The inner hurdles course, used occasionally, is rather sharper in character than the chase track and tends to provide a significant test of tactical speed.

BETTING FORECAST:**11-8** Croke Park, **7-4** Better Days Ahead, **7-2** Stellar Story, **20-1** Buddy One**TIMEFORM VIEW:**

BETTER DAYS AHEAD claimed the notable scalp of Slade Steel in making a successful switch to chasing at Navan on his reappearance and appeals as the sort to take high rank in the 2½m-3m novice division this winter, so he's narrowly preferred to his stablemate Croke Park, who held on gamely to land the Drinmore at the beginning of the month. Stellar Story was hardly impressive in landing the odds in the Florida Pearl but is surely capable of a good deal better.
