3 Kiss Me Sisu is clearly better than the latest results show. The horse got locked in with a lot of energy left last time in a V75 race won by Eminent Kronos. Good draw. **7 Ekolod** has a bad lane but was brave last time and can do it tough. **9 Sahara Silvio** won an easy race from the lead last time. Tougher now but has to be considered with the right trip. **10 Victory Cash** hasn't won for a while. Has been consistent and good at the end. Run under his belt now.

4 M.T. Sanches has done well under the saddle at the end, even though he was beaten last time as a big favorite. Is also a good sulky horse. Very quick starter. **6 Sobel Caviar** can also open well and should get a good trip. Galloped last time on the way to the lead as a big favorite and is looking for revenge. **8 Liberty Boko** is much better than the latest results show. Has been matched in the V75 at the end and meets clearly easier horses now. **7 Apollo Prophet Cal** was brave last time from the outside of the leader. Outsider.

10 Oliver Schermer is our pick with some hesitation in this tricky race. He hasn't won yet but faces good conditions money-wise. New driver. **7 Omari Boko** has finished well at the end and is an early choice. He has opened very slowly so far and the question is where he ends up from here. **4 Somebodyneedsyou** has only made two starts and won last time from the lead. Has to be considered. **8 M.T. Unforgiven** is trained by Johan Untersteiner but now driven by Stefan Persson. Early contender in this company.

5 Flamenco Girl wins quite often and is probably the best horse. Has faced better opposition than this and should have a good chance from here. **8 Run Queen Run** had to open very quickly last time in a heat to Stochampionatet and gave up early. Two straight wins before that. Poor lane. **4 Yantra Slave Cal** was outstanding at Halmstad in an easy race. Has earned most money and can open fast. **2 Eva Kant Gar** was second from the lead last time. The same driver now and surely chasing the front again. Should not be forgotten.

9 Global Empress is our pick in this open race where an upset is possible. Is probably the best horse and runs barefoot for the first time. Interesting! **11 Fearless Flier** has shown good form at the end and was brave last time. New driver. Challenger. **3 Global Euphoria** has started her career with two second and two third places. Returns from a long layoff. **7 Landing Field** is not that bad but has galloped at the end. Without a mistake at least an outsider.

14 Vanity Flair has faced much better horses than these. He is good for this class and passes many opponents here. **10 Bottom Line** comes from two sensational victories. Last time at Axevalla, he swept the field and won easily. He will certainly not be forgotten again. **9 Ett Under** was mediocre last time but we forget that effort. He has put in a couple of nice efforts this year and should be considered behind the favorite duo. **12 I Hope You Dance** is fast but not completely reliable. Outsider.
