3 Funny Guy should have a very good chance here after the impression in the debut. Despite a trip on the outside of the leader, he won easily finishing 12/700 meter. Normally he is outstanding here. **5 Avalon** makes his debut but the Googoo Gaga-son also has a mother who earned over a million SEK and he will be interesting to follow here. **7 Derby Broline** did alright last time and showed starting speed too. **12 The Långstrumpan** has shown a couple of 1.17-times already and is possible as well.

10 Henessi Walk is a good V75 horse in bright moments but has been a bit up and down. Last time he was strongest at last in a fairly easy company. Faces similar opponents here. **6 Vincent Cheri** was clearly the most heavily backed in his heat and was close to win after a sharp finish. **9 Captain As** gave up from the outside of the leader in the heat but belongs to the better horses here. **3 Inferno U.M.** leads this for a long time.

7 Troll Sterk Odin won in good style three starts ago and finished sharply last time after a gallop with 1200 meter to go. Would have won that race without a mistake and has a good chance here. **12 The Hulte Sixten** is clearly better than the latest results show and should be considered. Two starts back he got locked in and last time he galloped on the home stretch against better horses than these. **11 Tåga Storm** looks nice for the new trainer, but has not been successful yet. **13 Lia Lykke** is a good filly, but faces a tough task.

11 Emperor Godiva finished brilliantly from far behind last time and was only beaten by a small margin. Easier here and the task looks very nice. **1 Joe Go Gaga** has earlier shown the right attitude and makes his debut for a new trainer after a long layoff. He qualified in a good time and is possible immediately. **12 Re Express** scored a great win three starts ago and has faced very good horses since then. Very early choice. **6 Grand Eagle** hasn't really had a real chance in the last two runs.

1 Riet Hazelaar got surprisingly beaten in the last run and was not as her best as the big favorite in an easy field. She is a quick starter and from the lead she has top chance. **6 Rome Pays Off** likes to be driven by Linderoth and did well in the Golden Division last time. Challenges from the start? **3 Bravo Sabotage** is speedy and makes an exciting debut for the new trainer, even if the opposition is tough. **4 Global Adventure** is established in these companies but has not started for a long time. Has to be considered directly from here.
