**1 Hurricane Hydrup** is our pick in this mediocre race where only two horses fight for victory. He was a bit unlucky last time but is looking for revenge now. Scored two good wins before that. **8 Brazil Broline** has already taken five wins this year and is the logical challenger. Poor number but small field. **3 Graud Larose** won nine out of 15 races last year but has not been as successful this season. Place bet. **5 Twenty Dollar** wins very rarely but is quite consistent and good.

Maybe needs this race but can't be discounted. **1 Diamond Arrow** returns from a layoff as well. Will certainly get a nice trip from here.

**1 Malabar Sun** is our pick in this race where basically only two horses can win. He can open fast and has a good draw. Good chance to lead this race from start to finish. **3 Malika** comes from victory and is the only challenger. Probably gets a tougher trip than our pick and that decided the tip choice. **5 Lucky Runaway** and **6 Sahara Breeze** should have a hard time challenging our tip duo but can take a place with the right journey.

**7 Eld Rapp** should have top chance in this cold-blooded race. He has won eight of 13 races so far and been very convincing. Last time he galloped in a tougher race on his way to a good results. Two wins in a row before that. **6 Tjuagutt'n** has won six of 18 races and done well. Was second from the lead last time. **8 Öksi Ö. K.** won from the lead in August. Not completely reliable but can at least be a place bet. **9 Haugens Embla** faces quite tough conditions money-wise here, but is possible anyway here. Mainly a place bet though.
