## RANK

**8 Florence Ima** is used to meet much tougher opponents than these. Good performance last time in Norway as second behind Diva Ek. Top chance despite this starting position. **5 Invisible Sun** seemed to have energy left in the last V75 race. Won easily the time before and is in top form. **6 West Wind** got locked in with plenty of energy left last time. Is consistent and an early contender behind the favorite. **4 Sally MacLennane** is in fine form, but primarily a place bet here.

## RANK

**8 Orrgårns Tycko** galloped last time but looked strong in the lead 500 meter before the finish. Is in top form and our winner in a wide open race. **12 Sangviks Lynet** returns after a break. Has good capacity and should be considered directly even if the horse might need this race. **14 Alm Jerker** owns great speed and if he is at his best, he is good enough to pass this field. **15 Grude Enok** is in fine form and should not be discounted despite a tricky starting position.

## RANK

**11 Bank Angel** has a tricky number over the short distance. However, the horse is good enough to pass this field. Our pick, **5 Hagrid** opens fast and probably takes the lead into the first turn and then this is clearly the horse to beat. **6 Superior Bro** held decently last time and with that run under his belt, he is probably improved a bit. **9 Dazzling Diva** can do better than last time. Speedy with the right trip from behind. Should not be overlooked completely.

## RANK

**9 Leglign** mostly kept up the pace last time, but can do much better than that. He has the best capacity in this race and if he lives up to that, he should be seen with the greatest chance to win. **3 Phoenix Wibb** was too fiery last time, but if he just stays calm now he could lead this race throughout. **8 Don't Get Closer** will be improved with the last run under his belt. **5 Game Of Trot** is in fine form and should not be overlooked from a good starting position.
