**6 Hurricane P.T.** has done well at the end without winning. He can open fast and could reach a nice position right away. Our pick. **11 Spike MM** is coming back after a long layoff and although he is probably not at his best yet, he is good enough to win outright. **4 Nagai Ashi** gave up at the end in the last run. Has been a scratch after that and the form is a question mark. Normally in the mix. **8 Lino Band** has a difficult starting position and is mainly a place bet.

**5 Global Forever** held decently from the lead last time. Could reach the front again here and from there he won't be easy to reach. **8 Rockflower** was clearly positive last time and keeps his nice form. Difficult draw, but has the capacity to win the race. **9 Farfalla Jet** should have done a little better last time. Three runs under his belt after a layoff. Passes many opponents with the right trip. **4 Edumette** galloped early on in the last race, but had been good before that. In the mix.

**9 Global From Heaven** comes with two straight wins. He can win the race in different ways and should have top chance to win this race. **6 Sartre** galloped last time, but showed top form before that. Passes most of them during the final lap. **5 Olli Boko** has only missed the podium on one occasion in seven starts. Normally in the battle for victory again. **7 Noosa Heads Boko** returns after a short layoff and the chances are hard to predict.

**5 Backhammer** gave away the lead in the last race and got locked in with energy left then. Was good in the starts before and if he just handles the start, he should have a nice chance to win here. **1 Borkvinn S.K.** is gifted, but not completely reliable. Will be in the battle for victory if he avoids a mistake. **3 Eld Vide C.G.** is consistent and good, but doesn't win very often. Gets a defensive trip here and will finish strongly. **9 Hibovalle** put in a good finish last time and keeps his good form. In the mix.

Should have nice opportunities to fight for victory. **10 Everon** is usually in front and should be considered despite this tricky lane. **1 Ivar Pace** did not convince last time, but can do much better than that.
