8 Västerbo Iamtheman has scored a couple of great wins this year and last time at Vermo he had no luck when he got locked in with lots of energy left behind the leader. He prefers to run in front but is in great shape and should have the best chance to win this anyway. **7 Final Whistle** got locked in behind the leader in the last V75 race. Has been matched against tough horses and has earlier won two out of four races over three laps. **6 Drill comes** comes with two strong wins. Faces good conditions and in in top form. **10 Kimi Di Quattro** has been matched in France and steps down in class.
