R4 VINCENNES [L-H]

**C1 - PRIX BAPTISTE FERCHAUD - 2850m (a2m) - Class C Amateur Riders
Race - Mounted - EUR € 61,000**

1. ICAMORA DE HOUELLE - Continues to push her limits. Reeled off a hat-trick of wins (1 harness, 2 mounted) before her disqualification at this venue on 14 May - not incapable of making amends

2. FINGER DE RODREY - Disqualified in four consecutive outings, including all three 2024 appearances - the latest over 2450m at Caen on 11 May. Hard to make a case for

3. GLADYS DU CEDRE - Hard-knocking veteran mare who seldom finishes far off the mark on a going day. Didn't go unnoticed when 7th at Enghien over 2875m on 20 April

4. IBERIK DE MONGOCHY - Bounced back to form with a last-start victory under the saddle over 2700m at this venue on 14 May. Will have a say

5. DAHLIA DU PONT - Has made no impression in all 6 appearances this year, the latest (14th) in a 2700m harness race at this venue on 24 May. Others preferred

6. FALCON D'ESPACE - Unplaced in all three comeback outings in harness races this year. Reverts to the mounted code after finishing 7th in a 2950m Quinte+ at Vichy on 6 May

7. EXTREME DESBOIS - Inconsistent veteran with sound references under the saddle when avoiding disqualification. Didn't go unnoticed when 7th over 2450m at Caen on 11 May in this shoeing configuration

8. GAIN ULTIME - Unreliable performer with inconsistent recent form, although does have sound references at this level. Needs to improve after finishing 10th over 2450m at Caen on 11 May

9. GO OR NOT - Admirable veteran trotter with 15 victories under the saddle. Rarely disappoints with this shoeing configuration (barefoot) and caught the eye last time when 6th (shod) over 3000m at Marseille-Borely on 17 May

10. FORAIN JENILOU - Hard-knocking veteran with sound references under the saddle, including twice victories earlier this year - won over 2175m at this venue in February. Has lost his way since and only finished 12th at Caen (2450m) on 11 May

11. GALANT GALAA - Caught the eye on his debut in the mounted code last winter. Back under the saddle with all 4 shoes removed after finishing 14th in a harness race over 2450m at Caen on 11 May

12. DJESON D'ARIANE - High-flying veteran who confirmed his form and well-being with a last-start mounted race success over 2700m at this venue on 12 April. Will fight for victory once more

Summary: Veteran DJESON D'ARIANE (12) has shown his form and well-being recently by winning 2 of his last 3 starts, including his latest, so is good value to continue his momentum. He will, however, have to thwart the likely challenges of ICAMORA DE HOUELLE (1), ideally positioned at the start, and another last-start winner in IBERIK DE MONGOCHY (4). Back under the saddle after a preparation outing in the harness category, GALANT GALAA (11) shouldn't be underestimated either.

C2 - PRIX OZO - 2175m (a1m1/4) - Gr2 Race - Harness - EUR € 120,000

- 1. LUNA NOVA GWEN** - Revealed serious means when winning on debut last year over track and trip, and finished 2nd in 2 of her next 3 starts, but hasn't looked the same since resuming. Disqualified twice before finishing 9th here in a 2700m Group II on 10 May
- 2. LIPANGA DE GUEZ** - Consistent performer who has been kept on the boil this year, making 10 race appearances. Finished 5th in a 2700m Group II harness race at this venue on 10 May - will tempt lovers of outsiders
- 3. LUSH LIFE** - Unbeaten in 2 starts last year and made a winning reappearance/Vincennes debut over this track and trip in March. Lost her unbeaten record when 4th in a course-and-distance Group III last month and didn't go unnoticed when 6th in a 2700m Group II here on 10 May - dark horse
- 4. LOVE LETTER** - Seriously talented filly with sound/consistent form credentials, including a last-start 4th in a 2700m Group II at this venue on 10 May. Could have a role to play
- 5. LAYLA** - Consistent filly with sound references, particularly in this shoeing configuration. Wasn't disgraced (7th) in a 2700m Group II at this venue on 10 May - an attractive outsider
- 6. LIZY JOSSELYN** - Showed considerable early promise, winning on debut at Enghien in August, but has been disappointing this year. Disqualified in 2 of her last 3 starts including her latest in a 2700m Group II here on 10 May
- 7. LILAS CASTELLE** - Delicate but is a capable Group performer with sound references at this level. Disqualified in a Group II at this venue over 2700m on 10 May but shouldn't be hastily condemned
- 8. LADY** - Seriously talented filly with 4 race victories from 6 completed outings (7 starts). Finished 3rd in her other 2 appearances, including a 2700m Group II at this venue on 10 May - not taken lightly
- 9. LOPIGNA** - Revealed serious quality last year by winning 3 of her first 4 starts and finished 4th in a Group II over track and trip on 7 January. Disqualified in 2 of 3 subsequent starts, including her latest in a 2700m Group II at this venue on 10 May
- 10. LEXIE DE BANVILLE** - Smart performer with sound references/form credentials in the mounted category, including a last-start 3rd in a 2450m Group II under the saddle. Unknown quantity in the harness code
- 11. LIZA JOSSELYN** - Exciting prospect with 5 victories from 6 appearances. Has won consecutive Group III contests, the latest over this course and distance on 19 April - will fight for victory
- 12. LET ME SHINE GIO** - Consistent, versatile filly with proven Group form/references in both disciplines. Returns to the harness code after finishing 4th in consecutive Group II mounted races, the latest over 2450m at Caen on 11 May. Beware
- 13. LOTTA BOURBON** - Won the Group II Prix Masina, beating LOUISIANE DE BOMO (15), over 2700m at this venue on 10 May. Should play another leading role
- 14. LA JOYEUSE WICZ** - Classy, lightly raced Group I winner at this venue over 2700m in mid-February and was returning from a subsequent absence when only 11th in a 2700m Group II here on 10 May. Capable, even with her irons

TUESDAY, 28/05/24

15. LOUISIANE DE BOMO - Won 5 of her first 6 starts before finishing 5th in a 2700m Group I on 18 February. Resumed after a subsequent absence when runner-up to LOTTA BOURBON (13) in a 2700m Group II at this venue on 10 May - has a big say

Summary: Quality Group II event for three-year-old fillies, of whom progressive LIZA JOSSELYN (11) could be the one to side with. However, she will be seriously tested by LOUISIANE DE BOMO (15), whose comeback (2nd) in a Group II race won by LOTTA BOURBON (13) was very encouraging. LILAS CASTELLE (7), who is a tricky customer but a proven performer at this level, and LET ME SHINE GIO (12) are also candidates for success.

**C3 - PRIX JOHANNA - 2700m (a1m1/2) - Class D Race - Harness - EUR €
46,000**

1. JAMAIQUE DE HOERDT - Has regained momentum in this shoeing configuration. Won over 2500m at Reims on 8 April and has confirmed that form/improvement by finishing 3rd in both starts since, the latest at La Capelle over 2750m on 10 May

2. JENY DES MALBERAUX - Unreliable performer but seldom finishes far off the mark when applied, especially in this configuration. Didn't go unnoticed when finishing 5th over track and trip on 23 April - dark horse

3. JOUVENCE D'AVRIL - Capable mare with sound references at this level when avoiding disqualification. Sanctioned in her last start at Laval over 2850m on 23 May - is rarely far from a fault but could get into the picture if remaining wise

4. JADE HAUFOR - A 23-start maiden who displays commendable consistency, albeit without success. Finished 3rd in a similar race over 2700m at this venue on 4 May - on the shortlist

5. JANIS SHOW - Consistent performer in this category with sound references/form credentials under these conditions, including a last-start 4th over 2700m at this venue on 4 May

6. JUSQUINE FOUTEAU - Reliable mare with sound references at this level. Didn't go unnoticed when finishing 6th (shod) over 2800m at Cholet on 14 May - should have more to offer with all four shoes removed

7. JADE MAJOR - Delicate but has sufficient means to play a leading role in a race of this nature. Races barefoot for this occasion after a discreet (disqualified) comeback outing at Vichy over 2950m on 12 May - beware

8. JAYA DES BROUSSES - Improved after a much-needed comeback outing to finish a reassuring 2nd at Nantes over 3000m on 9 May. Has a winning chance

9. JODLEUSE MAG - Went off the boil some time ago and is rarely far from a fault. Unlikely to trouble the judge after finishing 10th in a 2850m harness race here on 21 May

10. JALNA GIRL - Tricky customer but usually acquits herself well/competitively when avoiding disqualification - proved as much by finishing 4th over 2800m at Cholet on 14 May. Keep safe

11. JABADAMES - Versatile mare with sound references in both codes, though most effective under the saddle. Finished 10th in a 2700m mounted race at Graignes on 3 May

12. JOLIE DU CEBE - Bounced back to form after a much-needed comeback outing to finish 2nd at Châtelailon-La Rochelle (2625m) on 12 May. Confirmation required

Summary: JAYA DES BROUSSES (8), who caught the eye with an encouraging 2nd at Nantes earlier this month, has the speed to overcome her tricky starting position and need only confirm the improvement of her last start to fight for victory. JUSQUINE FOUTEAU (6) should have more to offer racing unshod so could pose a threat. JALNA GIRL (10), with Eric Raffin at the helm, JADE HAUFOR (4), confirmed in this category, and consistent JANIS SHOW (5) are other potential place-getters.

- 6. LOMBOK JIEL** - Talented colt with serious means. Finished a creditable 6th in a 2700m Group I event in mid-February and didn't go unnoticed when 5th on his reappearance in a 2700m Group II on 10 May

- 9. LOULOU DE MYE** - A tricky customer on occasion but has undeniable quality, and confirmed as much by finishing 3rd in a 2700m Group II on his reappearance (10 May) after a three-month absence. Warrants serious respect
- 10. LOVINO BELLO** - Runner-up in a 2700m Group I on 18 February and was returning from a subsequent absence when finishing 6th in a 2700m Group II at this venue on 10 May. Confirmed in this shoeing configuration
- 11. LUCIANO MENUET** - Confirmed the form of his 3rd in a 2700m Group I on 18 February by winning the 2700m Group II Prix Paul Karle here on 10 May. Candidate for success

Summary: LUCIANO MENUET (11) was a convincing winner of a 2700m Group II here earlier this month, with several re-opposing rivals behind that day and, on that form, will be hard to beat. LOMBOK JIEL (6) caught the eye on his reappearance in that race and should prove a formidable opponent once more, just like LOVINO BELLO (10) whose effective in this shoeing configuration is beyond doubt. Both LOULOU DE MYE (9) and LUCKY JACKSON (5) are contenders for the podium.

46,000**

- 1. KIRGHIZE SPEED** - Highly regarded colt whose introduction to the mounted category has been very encouraging, having revealed serious means in the harness category. Runner-up on his mounted debut before confirming that promise with a good 3rd under the saddle at this venue over 2700m on 23 April
- 2. KEY BISCAYNE** - Tricky customer but seldom finishes far off the mark when avoiding disqualification. Didn't go unnoticed when 6th over 2700m at this venue on 17 May

- 9. JUDY BLUE EYES** - Showed signs of improvement when finishing 4th under the saddle over 2850m at Maure-de-Bretagne last time (30 April). More needed
- 10. JOKER DE FROULAY** - Has regained momentum with each comeback outing this year and confirmed as much by finishing 2nd over 2875m at Argentan on 28 March. Place chance
- 11. JUBLA VIKING** - Delicate and seldom far from a fault but is undeniably capable of playing a leading role in a race of this nature, especially if remaining wise. Caught the eye when 3rd under the saddle over 2850m at this venue on 23 April

Summary: JEWEL D'HERMES (6) was a very convincing winner over 2250m at Enghien earlier this month and, on the evidence of that success, is the horse to beat. Highly regarded KIRGHIZE SPEED (1) has shown his class and versatility, so is likely to lead the opposition with JAVA WIC (7) and KID DES MOLLES (3) also competitive for a place on the podium. JUNON DE LOU (5) and JAMES OF CARLY (8) come next.

- 2. I ALONE** - Course-and-distance winner of a similar contest on 1 February in this shoeing configuration (barefoot). Only 7th over 2550m at Gournay-en-Bray when resuming after a break but she should fare better under these conditions
- 3. GEORGIO HAUFOR** - Has made no impression in all 4 comeback appearances this year - disqualified in consecutive recent outings, the latest over 2725m at Graignes on 24 May. Others preferred
- 4. HAUTE SPHERE** - Versatile veteran mare with sound references in this shoeing configuration. Unplaced in 3 comeback outings this year, the latest (8th) over 2675m at Lisieux on 13 May

- 8. GAZOU PIQUENARD** - Maintaining a good level of form and consistency this year, albeit in amateur races for the most part. Didn't go unnoticed when 7th at that level over 2100m at this venue on 21 May - candidate for success from the front row
- 9. FRISSON DU QUESNE** - Inconsistent veteran who has finished unplaced in both comeback outings this year, the latest (13th) in a 2100m claimer at this venue on 16 April. Improvement needed
- 10. FLY TO THE MOON** - Capable veteran trotter with sound references, although most effective when racing fully unshod. Absent since his disqualification at Agen on 15 October
- 11. ERGUE GABERIC** - Hard-knocking veteran with better references under the saddle - won a 2700m mounted race in mid-February. Unplaced in consecutive harness claimers recently, the latest (14th) here on 30 April over 2700m
- 12. GOLIATH DU CAUX** - Soundly beaten in 4 of his last 5 starts (disqualified in the other), the latest (14th) in a 2950m Quinte+ at Vichy on 13 May. Most effective in this configuration (barefoot), so can be expected to fare better in this grade
- 13. EMENCOURT BLEQUIN** - Hard-knocking veteran with references at this level - seldom far off the mark on a going day, confirmed as much by finishing 7th in a 2700m claimer at this venue on 30 April. Dark horse
- 14. ELIXIR DU RABUTIN** - Unreliable performer with inconsistent recent form, which includes a last-start 11th in a 2950m Quinte+ at Vichy on 13 May. Does have references at this level, though, so shouldn't be underestimated

TUESDAY, 28/05/24

15. EXPRESSO GOOD - Showed encouraging signs of a return to form at this level last time, finishing 4th in this shoeing configuration at this venue over 2700m on 30 April. Not taken lightly

16. EL SANTO HAUFOR - Bounced back to form after a much-needed comeback outing to finish 5th in a 2700m claimer at this venue on 30 April. Not taken lightly

17. EMENCOURT D'AZIF - Last-start winner of a 2700m claimer at this venue on 30 April when racing unshod in front. Barefoot this time round, so likely to fight for victory once more

18. DEGANAWIDAH - Unplaced in all 6 completed outings (7 starts) this year. Reverts to the harness category after finishing 15th over 2450m in a mounted race at Caen on 11 May

Summary: A hard race to assess, though it could pay to side with GAZOU PIQUENARD (8) from his front-row starting berth. EMENCOURT D'AZIF (17), a recent winner at this level, GOLIATH DU CAUX (12), who ought to be competitive returned to the claiming category, as well as EXPRESSO GOOD (15), a former Quinté+ scorer, are potential dangers from the second row. EL SANTO HAUFOR (16), EMENCOURT BLEQUIN (13) and HAUTE SPHERE (4) complete the shortlist.

1. LITTLE DRAGON - Runner-up over track and trip with this shoeing configuration in his first appearance in the mounted category on 15 May. Dark horse

4. LAURENCIA BELLA - Confirmed the promise of her introduction (2nd) under the saddle by winning a 2200m mounted contest at this venue on 16 April. Has scope to improve

5. LENNON D'ANS - Consistent colt with sound references, albeit without a race victory from 15 appearances. Seldom finishes far off when avoiding disqualification. Must bounced back from a recent failure in a 2450m Group II at Caen on 11 May

6. LOVISSIME - Justified favouritism in her first start under the saddle by winning impressively in this shoeing configuration over 2700m at this venue on 3 May. Could pay to follow her progress

7. LORD ELLINGTON - Reeled off a hat-trick of harness race victories at Cagnes during winter. Begins under the saddle after finishing 7th in a 2700m harness race at this venue on 30 April

8. LUZ FATALE - Has revealed considerable means by acquitting herself consistently/competitively in each of her 4 appearances, all in the mounted category. Showed her form and well-being by finishing 2nd over 2700m here on 23 April

9. LUNIK DU CHOQUEL - Versatile colt with sound references/form credentials under the saddle, including respectable performances at Group level in this category. Didn't go unnoticed when 6th in a 2450m mounted Group II at Caen on 11 May

Summary: LOVISSIME (6), who had revealed promise in the harness category, made a winning start under the saddle at this venue over 2700m in the same shoeing configuration so is, logically, the horse to beat - it could pay to follow her progress. LUZ FATALE (8) has both the form and experience in this code to pose the biggest threat. LORD ELLINGTON (7) is an unknown quantity in the mounted discipline but shouldn't be underestimated, while LUNIK DU CHOQUEL (9) has shown enough in this category to also make his presence felt.

9. KIMMERIDGIENNE - Consistent, lightly raced performer with sound references/form credentials - albeit without a victory. Ought to be competitive after an encouraging 4th over 2825m at Chartres on 28 April

10. KANDY LIFE - Disqualified in four of her last five starts, including three consecutive recent outings - the latest over 2800m at Vichy on 13 May. Hard to make a case for

11. KALINKA MOYA - Caught the eye when a fast-finishing 6th over 2700m at this venue on 15 May. Should not be underestimated

12. KINOUE DAB - Won her first two outings last year and showed her form/well-being by finishing 2nd in both comeback outings in 2024, the latest at Maure-de-Bretagne over 2850m on 12 May. High on the shortlist

Summary: Proven in this category and an effective performer over speed courses/distances, KALINE D'ERABLE (5) seems capable of resuming winning ways. KINOUE DAB (12) and KALINKA MOYA (11) start from the second row but have the means to make up the ground/pose a threat. Enigmatic KELLY PRINCESSE (1) is on a long run of disqualifications but, judged on her best references, isn't incapable of making her presence felt.
