**7 Nalanji Boko** followed well last time as second behind Enjoy The Moment. The position is certainly not the best, but in terms of capacity, he is an early choice in this company. **5 Move It** won directly in the comeback and should be improved now. Tougher opponents here, but should not be discounted. **3 Zola Love** has not won for a while, but this number is nice and she should not be overlooked. **6 Our Pleasure** finished to a comfortable win last time. Normally in the mix again.

This number could suit the horse well and if he avoids a mistake he will not be easy to answer. **1 Beart** has a good draw and is an early choice with gifted Johanna Lind in the sulky. **6 Notorious Boko** has galloped in four of his last five starts. Is fast enough to be in the mix. **3 Nelo di Quattro** can open fast and gets a good position. Could cause an upset.

**4 Foolish Pleasure** was not at his best last time, but had put in good and consistent efforts before that. Quick starter and won't be easy to defeat in the lead. **3 Network Eagle** is quite consistent and good, but the horse is still without victory after 22 starts. Is good enough to be in the mix in this race. **8 Jayden de Joudes** never had a chance in the V75 last time. Easier opponents now and has to be considered despite this draw. **12 Ekolod** galloped last time, but looked nice and is in good form. Should not be overlooked despite this number.
