8 Clean Table has been first and second in this year's two starts. Should be on the way up and has good capacity for this class. **13 L.Way Joli** scored a couple of very good wins last spring, but has been a scratch twice afterwards. The form is hard to predict, but if well prepared, he has to be considered early. **2 Hall Of Fame** could be difficult to pass if he finds the lead. **9 Mark Newman** needs some racing luck and quick pace.

8 Björs Balder was second in the Norwegian Derby last year. He hasn't been as good lately, but with two runs under his belt, he should be on the way up. Our winner. **2 Faks Odin N.O.** likes to race in Sweden and has won half of his starts there. Is not a very quick starter but this lane is perfect and quick pace would be an advantage. **3 Ramstad Kristian** is a very quick starter and if he has a good day he leads the race for a long time. **4 The Fantomet** is speedy and possible too with the right trip.
