**3 Ajlexes Abraxas** finished alright last time. Has a good starting position and without a mistake he will not be easy to stop during the final lap. **7 Christer** has good speed. He has been a scratch after the last start. Should be considered early if well prepared. **12 Prometheus** set a good time in the last run and in case of quick pace, he will put in a strong finish. **9 Amiral** did not trot well last time. Can do better than that.

Tricky number but with the right trip, he is in the mix. **4 Cab Mystery** looked fine last time but got locked in. Possible here.

**8 Daley Surprise** has not impressed at the end. However, she won at Solvalla in June and if she shows the same form now, the mare will be in the battle for victory. **7 Global Crossroad** is not bad and should he avoid a mistake, it could be enough to win. **3 Financial Freedom** comes back after a pause. The form is of course hard to predict, but from an appealing starting position the horse is possible here. **10 Timotejs Klave** should not be discounted despite this number.

**9 Magique A.F.** was unlucky in the last run behind a tired horse. We forget that start and with the right journey here he could finish to victory. **1 Kakko Bob** is well drawn and even if he can't hold the lead, he will get a nice defensive journey. Has the capacity to challenge. **8 Find My Way Home** has a poor starting position, but still shouldn't be discounted **10 Helix Rick** galloped last time in his comeback. Is good enough to win this race despite this draw.

Will be hard to beat as long as he avoids a mistake. **1 Jeppas Unplugged** has a good lane and will reach a nice position. In the mix here. **7 Galliano Du Bocage** did alright in the Swedish debut last time. Should be improved with that run under his belt. **11 Tale Of Jacks** is good for this class and should not be discounted despite this starting position.
