Going: **Heavy**

Galway is a right-handed track with a circuit of just over a mile and a quarter. There is a steep incline to the finish, but unless the ground is particularly testing the track is essentially sharp in character. The finishing straight is short at little more than a furlong. A low draw at 7f and 1m 100yds is a slight advantage.

**TIMEFORM VIEW:**

The vote goes to CAFE CON LECHE, who looked more straightforward than usual and turned in his best effort for some time when collared close home at Navan last week. He is very appealing turned out again quickly off the same mark. Gotta Catch'em All failed by a whisker in a big-field handicap at the Curragh recently and is feared most ahead of Saith Seren.
