Going: **Standard**

The all-weather track at Southwell goes left-handed in a flat mile-and-a-quarter oval which has a run from the home turn of three furlongs and a spur to provide a straight five furlongs, those drawn low have often been seen to good effect on the sprint track. The fibresand surface used until August 2021, which produced a lot more kickback than the ones used at the other all-weather courses and lent itself far more to the course specialist, has now been replaced with tapeta.

GBI RACINGGoing: **Standard**

The all-weather track at Southwell goes left-handed in a flat mile-and-a-quarter oval which has a run from the home turn of three furlongs and a spur to provide a straight five furlongs, those drawn low have often been seen to good effect on the sprint track. The fibresand surface used until August 2021, which produced a lot more kickback than the ones used at the other all-weather courses and lent itself far more to the course specialist, has now been replaced with tapeta.

Career best when winning 7-runner handicap (15/2) at Goodwood (12f, good) on latest start in June. First run for yard after leaving Andrew Balding and while more is needed off this 3 lb higher mark, he cannot be discounted.

Joe Fanning

5/1, seventh of 10 in handicap at Ayr (10f, good) 27 days ago. That wasn't one of her better efforts but yard's horses often bounce back quickly and this filly will be a threat if able to do just that.

Good third of 7 in handicap at Kempton (11f, 22/1) 33 days ago, clear of rest. Makes tapeta debut and possibilities here off the same mark.

Winner at Carlisle in August. 14/1, tenth of 14 in handicap at York (10.2f, heavy) 16 days ago, merely passing beaten rivals. Others make more appeal on this occasion.

15/2, good third of 13 in handicap at Kempton (12f) 19 days ago. Makes tapeta debut and will have a serious chance off this unchanged mark, provided she takes to this surface.

BETTING FORECAST:

10-3 Kokinelli, **4-1** Reyaadah Star, **5-1** Versatile, **11-2** Belcamo, **8-1** Apache Canyon, **10-1** Beat The Clock, **12-1** Mystical Maria

TIMEFORM VIEW:

REYAADAH STAR was knocking on the door prior to a slightly below-par display at Ayr earlier this month and she is taken to bounce back with a deserved success here. Next on the list is Kokinelli, who looks sure to pick up a race sooner rather than later judged on her improved third in a 13-runner Kempton handicap. Versatile also merits respect, while Belcamo is not discounted on debut for new connections,

 Tony Carroll **Jack Doughty (5lb/2kg)**
Four wins from 12 runs this year. Won 9-runner handicap at Brighton (7f, good to soft, 4/1) 20 days ago, driven out. Will probably cope with this 4 lb higher mark and he shouldn't be far away.

Nineteen runs since last win in 2019. 20/1, eighth of 11 in handicap at Redcar (10f, good to firm) 89 days ago. 0-9 on AW and hopes pinned on the first-time cheekpieces sparking a return to form.

 Julie Camacho **Joe Fanning**
Latest win at Beverley in May. Seventh of 9 in handicap (8/1) at Pontefract (8f, heavy) 21 days ago, slowly away. Remains winless following 11 AW starts.

 Neil Mulholland **Hector Crouch**
7/1, last of 12 in handicap at Wolverhampton (8.6f) on latest start 146 days ago. Went close off 2 lb higher mark at the same course in April and reproduction of that would give him a fighting chance.

71046000 **4** 9-2 | 58.1kg

 Olly Williams **Saffie Osborne**
C&D winner. 10¾ lengths eleventh of 12 to Mercurius Power in handicap (18/1) at this C&D 59 days ago. Readily passed over.

BETTING FORECAST:

11-2 Kondratiev Wave, **7-1** Mercurius Power, **8-1** Adelabella, **17-2** Dr Rio, **9-1** Bushfire, **10-1** Enzos Angel, **12-1** Rise Hall, **12-1** Savanna King, **14-1** King of York, **16-1** Makeen, **18-1** Mount King, **40-1** bar

TIMEFORM VIEW:

A chance is taken on ENZOS ANGEL, who was in good form at Wolverhampton earlier this year and, though below par on his last three starts, perhaps the summer break was needed. Mercurius Power is just 2 lb higher than for his C&D success in August and he looks dangerous, while Kondratiev Wave has been in good form in recent months and looks set for another prominent role. Bushfire could also have a part to play if responding well to the new headgear.
