12 Stepping Dreamboy made his comeback after a very long layoff second last and won easily then. Last time he got locked in behind a tired horse and had a lot of energy left. Has earned most money here. Good chance. **6 Nemo ML** wins quite often and is consistent and good. Should be considered early on. **9 Lexington Yoda** has clearly earned most money this year. Could get a nice defensive trip here. **7 Billy Idol** is fast from the start and probably takes the lead despite this number. Could surprise.

2 Fuligine Pal is coming off an impressive win. He finished very fast and was completely superior. Good chance with a similar effort. **7 Gold From Heaven** won from the lead last time and has three wins from that position. Probably goes for the front here. May take over the lead? **3 Killer Journey** is our favorite for the lead. He is driven by Jorma Kontio this time and that is exciting. Has got a pause though. **9 Heineken** has not won yet after 23 attempts. Jepson now.

6 Balder Face has not won for a while but is good for this class and finished fourth in a V75 race at Åby in August. Easier now. **9 He's From Heaven** finished nicely second last and won fairly easily last time. Good form but a bit tougher now. **10 Netflix** has already five wins this year and won from the lead last time. Has shown that he can win from behind as well. **3 Fearless Flier** is clearly better than the latest results show and has made most money this year. Good lane and easier opponents.

RANK

7 Dixiechick Hanover is our pick in this tricky race. He had energy left last time and will probably get a more offensive race now. Our idea! **1 El Vego Khalifa** wins quite often and has a run under his belt now after a long layoff. Has got an interesting lane. New driver. **9 Fusion Eagra** has faced clearly tougher horses than these. Jepsen now. **11 Kit Crown** comes with a couple of poor results but faces easier opponents now. Won a bigger race at Bergsåker in August. Driven by the trainer now.
