RACE 1 — V4-1 — Auto 1609

RANK

12 Racing Ribb comes from an adventure in France and makes his debut for a new trainer here. Nice conditions money-wise. **11 Kung Edward** won five races last year and no one in this company is even close to that. Run under his belt. **8 Pastor Power** was pressed in the lead last time and gave up. Is fast from the start and can get an offensive start despite this lane. **6 Giant Design** was second at Vincennes (!) in January this year and earned more than SEK 100,000. Has not convinced in Sweden so far.

RANK

5 Hotspurs is interesting here in his debut for new trainer Christian Fiore. The horse comes from a second place at Charlottenlund, just closely defeated. **10 Orajah** has come back well after galloping in his last two starts. Without a mistake, she is an early choice. **2 Ares Maanos** has not won yet after 17 attempts but now faces clearly easier opponents and is ideally drawn. **4 Everglow** is not bad for this company either. He also drops in class.

RACE 3 | *V4-3* | Auto **1609** | RANK

11 Biscuit wins very rarely but has a good task here. Meets very modest opposition and has a good chance despite this lane. **12 See You In Heaven** faces very nice conditions money-wise. She also meets easier horses than she is used to. **3 Hera du Nord** is not reliable but without a mistake she can be dangerous here. Is a quick starter and our favorite for the lead. **6 Pharagraf** won five races last year and nobody here comes close to that. A scratch after the last race though.

RACE 4 | *V4-4* | Auto **1609** | RANK

3 Bold Heuvelland is our pick in this mediocre race. He was good as second two starts back and is well drawn. Probably barefoot now. Interesting! **7 It's About Time** is the main challenger. Has been consistent and good at the end and that is worth a lot here. New driver. **5 Classic Hill** was second in a regular race at Jägersro in April. Very early choice here with a similar performance. **10 Kakuna Jons** is not a superstar but in this race he could surprise. American bike for only the second time ever.
