RACE 1

Going: **Standard to Slow**

Left-handed, oval. Newcastle switched from turf to all-weather during the winter of 2015/16, and like Wolverhampton, the surface it uses is tapeta. It differs from the majority of the all-weather tracks in that as well as a traditional oval, it has a floodlit straight mile course, which is uphill for the final four furlongs, meaning an ability to see out the trip is essential and those who press on too early can prove vulnerable in the later stages.

**TIMEFORM VIEW:**

The trio that stand out here are MIDNIGHT'S DREAM, Barleybrown and Jez Bomb, in that order of preference. The first-named produced his best effort yet when a strong-finishing fifth in a steadily-run race at Kempton recently and, granted a decent pace to aim at here, this unexposed colt could be the answer. Barleybrown is feared most on the back of notching C&D win number four in good style last week.

**BETTING FORECAST:**

**7-2** Barnaby, **6-1** Mereside Madness, **13-2** Beale Street, **11-1** King's School, **11-1** Front Gunner, **12-1** Profit Street, **14-1** Fariha, **16-1** Finn Ironside, **18-1** Arantes Nascimento, **20-1** Rainwater, **25-1** Buttercross Flyer, **25-1** Likeashadow

**TIMEFORM VIEW:**

This looks a strong race for the grade, with MERESIDE MADNESS taken to record his third C&D win from 4 outings here having shaped well in a race that wasn't run to suit. Barnaby was a decisive scorer last week and he chases a quick-fire Newcastle hat-trick so he must be a danger, along with Beale Street.

RACE 6

Going: **Standard to Slow**

Left-handed, oval. Newcastle switched from turf to all-weather during the winter of 2015/16, and like Wolverhampton, the surface it uses is tapeta. It differs from the majority of the all-weather tracks in that as well as a traditional oval, it has a floodlit straight mile course, which is uphill for the final four furlongs, meaning an ability to see out the trip is essential and those who press on too early can prove vulnerable in the later stages.

Draw: **N/A** Pace Information: **Uncontested**

**BETTING FORECAST:**

**TIMEFORM VIEW:**

MY CLOUD has shown plenty to work on when runner-up on both of his starts 8 months apart and will struggle to find a better opportunity than this. Well-bred newcomer Tancredi looks the only realistic threat.

**TIMEFORM VIEW:**

The in-form KITAAB should have followed up his C&D win at Kempton 18 days ago (left with too much to do) and is fancied to make amends. Low-mileage 3-y-o Buzz Box shaped encouragingly after 8 months off when fourth at Southwell and may emerge as the biggest threat ahead of Golden Duke.
