**4 Harper** looks to have a nice task here. He reaches a good position straight away and normally he has top chance to win this race. **3 Go On Gardenia** was not far behind Harper the last time they met and should be seen as the biggest threat to our pick. **5 Dyess** is quite consistent, but the horse is primarily a place bet here. **6 Raket Brodde** showed a slight improvement last time as third, but needs to be even better to win this.

**9 Jetset** has not convinced at the end, but is the best horse in the field and if she is only close to form, she should have top chance. **11 Invincible Laser** comes with two straight wins and should be considered even though he now faces a clearly tougher opposition than at the end. **4 Juventas** come from victory and showed fine form. If barefoot, she's good enough to get involved in the battle for victory. **5 United Time Trot** is in the mix in a faultless race.
