**4 Mystic Star** won from the lead last time and is probably aiming for that position again. Good chance in that case. **8 Saga Krobak** took two straight victories in October and November and with a similar effort she will challenge. **6 Snap Attacks** won easily in October but has galloped after that. Possible if she avoids a mistake. **9 Wicket Surface** doesn't win very often but can surprise with the right defensive trip.

**2 Viggmin** has won four out of ten races this year. He also has a very good starting position and should have another good chance to win here. **6 Lyseng Solen** is really good too, however. He has earned the most money this year, taking two straight wins in October and November. **10 Elias J.L.** has had a good season. Is not completely reliable but without a mistake he could challenge our top duo. **8 Höbygjerven** faces good conditions and is consistent and good. Does not win very often though.

**1 Pagadis Pride** has a very good task here. Comes with three consecutive second places and has really deserves a victory. Good chance. **4 The Big Bang** was second on this track last time and could be at least a place bet with a similar performance. **3 Belfort Rags** has not quite lived up to the expectations at the end. Was sixth in the V75 at Bergsåker in August. **2 Ninepoints Lover** has three wins this year but that was early this season. Has a run under his belt now but has got another short layoff.

**11 Tickettothemoon** comes with two straight wins. He is in top form and should have a good chance of winning this despite a poor starting position. **5 Duflot** has four wins in ten attempts this year. Was not defeated the last time when he galloped. Challenger. **6 If** galloped last time but had three second places in four races before that. Hasn't won yet but will soon score a victory. **7 Walker** has also not won yet after 22 attempts. Has been consistent and good at the end though. At least an outsider here.

**4 Dibaba** galloped last time but had done really well before that. She has earned the most money this year and is well drawn here. **2 Louis B.R.** has a good lane too and is often heavily backed. He is definitely good enough to fight for victory. **7 Bangles** won easily in November. A bit tricky number but should not be overlooked with the right trip. **9 Googooman** wins quite often and has had a good season. Needs some racing luck from here but is possible.

**9 Evita Jacase** has a tricky starting position but is still our pick here. She won last time somewhat surprisingly and should not be overlooked again. Our idea! **2 Papillon E.V.** has nine wins this year and earned the most money. Consistent and good and an early choice of course. **4 Gold Ripasso** galloped last time but had three straight wins before that. Has to be considered. **6 Folsom Cash** comes from victory and beat several of today's opponents then. Possible.
