**RANK**

**2 Twigs Like U** has good capacity for this class and as the clear favorite for the lead he should have a good chance together with Goop. **9 Captain Tilly** has shown good capacity and was strong two starts back. In the last race he galloped in a restart from a tight starting number. His form is good and he steps down a bit in class here. **3 Global Fairyland** is not reliable but was strong as second behind Nurmos promising Gio Barosso two starts back. **6 Laprisamata** has shown good speed but was twice a scratch after the last race so his form is a bit uncertain.

## RANK

**1 Börtas Ankare** held well as second behind Klondyke River in the last race. Despite this poor starting position, he should find his way out immediately. With the right distance and quite easy opponents, we expect him to be the strongest at last. Banker. **2 Narita** has been matched in tough companies. Is a quick starter and likes to run from the lead. However, this distance is new and the horse could get a trip from behind here. **7 Marion Mark** won comfortably from the front in the last race and had not started for a while before that. Better now. **3 What A Winner** has had a few runs under his belt and should be getting closer to top form.
