2 Bror has done well in the end and is coming off a very easy win. He is fast from the start and can take the lead. Good chance in that case.

1 Jeger doesn't win very often but has been very consistent and good in the end. Will probably get a good trip from here. **4 Svido Gummi** was close to Jeger two starts back and is not bad. Took a sensational win at this track in December. **3 Kollu Yx Odin** was clearly defeated by Jeger in the last race but can do better and is at least an outsider here.

8 Rubino is in good form and has beaten these horses before. He is coming off an easy win but this post is difficult. **6 Il Mio Preferito** was actually more heavily backed than our pick in the last race and finished second behind him. Will be looking for revenge here. **5 Fammi** earned the most money last year. She was second behind Rubino on Christmas Day but beat him at the beginning of December. Early choice here. **7 Hurricane Hydrup** was third behind our pick in the last race and cannot be discounted here either.

6 Åspe Oda is our pick in this coldblooded race. Has been very consistent and good towards the end and with the right trip she should have a good chance to win. **5 Birk Faxen** is not reliable but has good speed and without a mistake he is an early choice. He galloped as second two starts back. **12 Nordsjö Anna** returns after a short layoff. Was perhaps not at her best last time but finished second behind our pick two starts back. **9 Fjellkos Borka** is one of the best horses here and took two wins in a row in June. Has not competed since August though and the form is hard to predict.

6 Ry Tora gets the tip in this weak race. She won in the beginning of December and should have a good chance here with a similar effort. **3 Peller Per** had a pretty good season last year. Not reliable but without a mistake he is an early choice in this company. **1 Vilje Spika** is not that bad and she will probably get a good trip from here. Warning. **7 Mo Stine** is not a superstar but she finished well in the last race and came in fourth. She is possible here.

Good for this class and looking for revenge. **1 Graud Larose** won comfortably two starts back and has got an excellent draw here. Will certainly get a nice trip. **6 Great Shadow** galloped in the last race but had done well before that. Could be an outsider here.

10 Special Toy has won half of his races. He was third against better horses than these last time and scored two victories in a row before that. Good chance despite this lane. **7 Duiker** galloped under attack in the last race but had done well before that. Wins quite often and has to be considered behind the favorite. **6 Sejr Nibs** galloped in the last race but took a good second spot in the comeback before that. On the way up. **3 Royal Power** had a good season last year and has the best number of the favorites. Came in third behind our top duo in November.
