1 Coolman Evo won his debut in January from the lead and convinced. Most recently, he finished strongly showing 13.4/1000 and that after a three-month break. Could reach the front and has one run under his belt now. The three-year-old has a good chance to lead this through-out. **12 Adora Liss** has four wins in eight starts and is promising. Is gifted and an early choice behind the favorite. **3 Gaetan Godiva** has great capacity but does not always show it. Probably barefoot for the first time. **6 ID Gasolin** was strong in the seasonal debut and should be improved.

8 Knockout Keeper is very consistent and good. He has not started since November last year and will need the race to be in full form. Faces mediocre opponents though and despite this seasonal debut, he will fight for victory. **1 Perfect Match H.C.** competed in tough companies during the last year but has not been as good as she used to. **11 Baron Muscles** won a similar race in the debut for his new trainer and has put in a couple of strong efforts after that. **12 Always Proud** is still in good form.

10 Grisle the king G.L. has shown good strength and finished well last time. Is Tjomsland's choice out of two horses and in an open race he is our pick with this number. **1 Frans R.F.** followed well as second after a six-month absence last time. Certainly a lot better now and is driven by Mats Djuse. Is the favourite for the lead. Main challenger. **11 Alma Odin** has won three out of five starts, and two together with Magnus Djuse. **4 Snärtjerv** is undefeated without a mistake and won easily from the front last time.

4 Järvsö Jop did not handle this number four in the circular start last time and galloped. Did not impress after that but he had been away for a couple of months and possibly needed the race. He had put in strong efforts before that and is now stepping down in class. **4 Tekno Filur** is good for this class and faces perfect conditions money-wise. Likes to be driven by Marcus Lilius. **3 BB Pave Faks** comes from a good effort and wins often when he avoids a mistake. **2 Prins Modde** showed good capacity last year.

2 Kainai Goj galloped directly from the start in the last V75-race. Much easier opponents now and with a run under the belt, the form should be on the way up. He can open fast but is not reliable and will probably get a safety start. **8 Underbarosåfin** is in top form. Quick starter and should be able to reach a nice position, despite this lane. **9 Global Dash** was strong outside the leader last time. Faces tougher opponents now but will fight for victory. **7 Just More Fun** is a quick starter and prefers to run in the lead.
