## RANK

**1 Village Party** continued to show fine form most recently as third at Charlottenlund. Ideally drawn here and the five-year-old should have good chances to hold up the inside track and from there he is the horse to beat. **2 Stepping Moneygirl** is very consistent and good and should be considered early with this nice number. **3 Kontiki Evolution** did not convince last time, but can do better than that. Normally in the battle for victory. **9 Hattrick Didamgård** finally got the first win of the year last time. Strong finisher and could cause a surprise again.

**9 Nencini** has won four of his five starts for Per Henriksen and looks to be a very talented horse. The four-year-old can do it tough so this number is not a big handicap. Top chance. **10 Speedy Star Vicane** won in good fashion last time, but will still find it hard to beat our pick. **4 Nazli Boko** looked fine as a locked in last time. Will normally fight for the second prize. **3 Bouquet Brodde** has a nice draw and will reach a good position. Place chance.

**1 Henry Palema** won easily from the lead last time and in a nice way. Could reach the front again here and in that position the five-year-old has taken three of his total of five victories. Good chance to lead this race all the way. **2 Perfect Score Ås** is also a quick starter and if he could find the lead initially, the possibilities increase. **12 King Of Greenwood** was outstanding in an easy race last time. Good enough to pass all opponents during the final lap. **3 Spring Waltz** has a run under his belt and has to be considered from this nice number.

**1 Marinho Boko** put in a strong finish last time as second. This number one is a bit tricky, but with the right journey, he won't be easy to beat on the home stretch. **3 Golden Crescent** is consistent and good and should have good opportunities from a perfect number. **6 Blue Boy Face** owns good speed for this class, but is not reliable at all. Without a mistake he will fight for victory. **5 T.Wall's Karma** has taken six of seven wins from the lead. Has to be considered from that position.
