5 Nyras Lars R. challenged top horse Boscha Diablo over the home stretch two starts back and was heavily backed in the last V86 race but galloped straight away. Good chance. **1 Pure Muscle** was good from outside the leader two starts back. Jepson now and the horse is a very quick starter. From start to finish? **4 Karma Mearas** is good but has not started since November. Is working well. **2 Black Mission** makes an interesting debut for a new trainer and Per Henriksen sounds very satisfied.

5 Dimension Trot has been ill lately and was not fit last time either. He is working well now and the clear favorite for the lead. Our winner. **7 Kairo** was too fiery from outside the leader in the last V86 race and gave up at the end. Norwegian bridle now. Has good speed. **4 Global Enterprise** is very well-bred but has has been up and down. Back after a short break now and could cause a surprise straight away. **6 Beryl J.Brown** finished fast in the last race.

9 Norris is a tough filly with the right attitude and she wins a lot of races too. She wasn't good second last time but won straight away last time. Perfect task here and will be driven offensively. Top chance. **2 Frodo De Castella** is consistent and good and has done well for the new trainer. Comes from a good effort. **7 Valnes New Love** is very capable and sprinted to a nice victory two starts back. Owns good strength. **3 Raffige Rune** is fast with the right defensive journey, but the form is a question mark.
