4 V.G. The Prinsen is our pick in this open cold-blooded race. He was second and just closely defeated off the lead as recently as Sunday and chases revenge here. **5 Vertigo Dominant** scored a good win last time and is one of several contenders here. **2 Alve Kongen** has already six victories this year and should be considered early here. **3 Nelson Anton** beat almost all these opponents in mid-September and was good then. Tougher conditions towards our top duo this time, but should of course not be discounted.

Possible if the favorites would fail. **2 Odetta** was also second last time. Should get a nice trip in front here.
