3 Man after Midnight has taken three victories at the end. Should have a good chance again from here together with Stefan Persson. **2 Polemaetus** won from the lead last time with this driver and is chasing that position again. Has been a scratch for a cold after the last race though. **5 Check Lane** has been very consistent and good this year and is possible here too. **12 Muro Beach Pellini** is worth a warning. Faces the best conditions money-wise and meets somewhat easier horses this time.

11 Jackson Schermer wins quite often and gets our pick in this very open race. Has two runs under his belt now and should be on the way up. **1 Waco Sixx** faces tough conditions money-wise but is quite good for this class. Has a run under his belt now and can open fast. **2 Slave to Love Cal** has finally got a good draw and is an early contender for us. Is fast from the start and should get a good journey. **3 Courage** has also got a good lane. Won on this track in August and faces easier opponents than at the end now.

10 Eight Hour is our idea in this rather tricky sprint race. She was brave in her debut for Joakim Lövgren last time and should be improved by that run under her belt. **11 Stenson** was fifth in the V75 at Årjäng behind Jikken and Parveny among others. Much easier this time and early choice. **7 Henrik Will** has been consistent and good at the end and is possible with the right trip. **8 Run n'Cola** has had a pretty good season and earned most money in this company this season, without winning though. Should be followed here.

3 Ekolod is our pick even if the shape is a bit hard to predict. He has made most money this year and is good for this company. Good lane as well. **10 Ivan Mauger** almost beat our pick last summer but has a tougher draw now. Has shown good form at the end and is an early choice. **5 Handluggage Racing** was really good last time after a layoff. Should be better now and can open quickly. **6 Dexter Morgan** finished well as second a bit behind Jeriko Brick last time. Gustav Johansson is the driver now.
