Summary : ESPOIR DE GAGNER (1) will be fit from a break and very rarely runs a bad race in a cross-country race, he is the one to beat. EARLISH DE GRUGY (6) has no fitness concerns, she ran only 11 days ago, and although she has not got the experience of the main selection she has acquitted herself well in her three runs in these types of races previously and looks the main rival. FROSTY LAKE (5) ran reasonably well on a return run last month after a long time away from the track. This is his first run in a cross-country race and he looks a nice each-way option. FOLY'S BACH (8) is another to watch out for.
