The all-weather track at Southwell goes left-handed in a flat mile-and-a-quarter oval which has a run from the home turn of three furlongs and a spur to provide a straight five furlongs, those drawn low have often been seen to good effect on the sprint track. The fibresand surface used until August 2021, which produced a lot more kickback than the ones used at the other all-weather courses and lent itself far more to the course specialist, has now been replaced with tapeta.

TIMEFORM VIEW:

CARAMAY hasn't looked back since fitted with cheekpieces and is fancied to defy a 3 lb rise and bag her hat-trick here. Fillyfudge is weighted to have a big say and rates a major danger, with Aim For The Moon and Achillea also in the picture in this tight-knit handicap.

TIMEFORM VIEW:

It would come as no surprise were this to go to a newcomer, with LADY MARY perhaps the pick of the bunch given her US pedigree strongly suggests she'll take well to this surface. Rogue Officer is another likely type on paper, with Tempted perhaps the pick of those with experience.

BETTING FORECAST:

15-8 Berkshire Sundance, **10-3** Baltic, **7-1** Hedonista, **7-1** Saratoga Gold, **8-1** Le Rouge Chinois, **10-1** Gordon Grey

TIMEFORM VIEW:

Low-mileage 4-y-o BERKSHIRE SUNDANCE proved better than ever when successful in what was effectively his reappearance at Salisbury a month ago and with that willing attitude sure to stand him in good stead, he can follow up. Baltic bombed out in the mud last month but had previously won his last 5 and can get back on track returned to the AW. Saratoga Gold is also considered.

GBI RACINGGoing: **Standard**

The all-weather track at Southwell goes left-handed in a flat mile-and-a-quarter oval which has a run from the home turn of three furlongs and a spur to provide a straight five furlongs, those drawn low have often been seen to good effect on the sprint track. The fibresand surface used until August 2021, which produced a lot more kickback than the ones used at the other all-weather courses and lent itself far more to the course specialist, has now been replaced with tapeta.

James Owen *Sean Dylan Bowen (3lb/1kg)*
4/1, first run since leaving Michael Attwater and shaped well when fourth of 11 in handicap at Wolverhampton (8.6f) 7 days ago, caught further back than ideal. Very well weighted for his excellent yard.

BETTING FORECAST:

4-1 Come On John, **5-1** Kojin, **11-2** Masque of Anarchy, **13-2** Love Yours, **7-1** Seraphic, **17-2** Opticality, **14-1** Irv, **33-1** Oscar Doodle, **33-1** Au Lait, **33-1** Swinging London

TIMEFORM VIEW:

COME ON JOHN represents a stable going places and there are surely races to be won with him from this basement mark, so he's fancied to build on the promise of last week's effort at Wolverhampton. There are 3 last-time-out winners in opposition, with Kojin feared most.
