RACE 1

Going: **Standard**

The all-weather track at Southwell goes left-handed in a flat mile-and-a-quarter oval which has a run from the home turn of three furlongs and a spur to provide a straight five furlongs, those drawn low have often been seen to good effect on the sprint track. The fibresand surface used until August 2021, which produced a lot more kickback than the ones used at the other all-weather courses and lent itself far more to the course specialist, has now been replaced with tapeta.

TIMEFORM VIEW:

MDAWI surely has a bigger performance in him given his pedigree and with this step up in trip sure to suit, he looks the answer. Jiff's Army tackles a new distance and sets the standard, with Nobleman fancied to step up on his opening effort.

9 8 STAR OF ATLANTIS (IRE) (15) **94**

Jack Jones **Hector Crouch**
Modest filly. Seventh of 11 in handicap at Wolverhampton (6.1f, 9/2) 15 days ago, no extra final 1f. Not long with her present yard and she may yet have more to offer at a low level.

Tony Carroll **Luke Morris**
Winner at Lingfield (7.6f, turf) in June. 40/1, last of 10 in handicap at Wolverhampton (7.2f) in July, weakening from 3f out. Still needs to prove herself as effective on synthetics now returning from 5 months off.

BETTING FORECAST:

TIMEFORM VIEW:

C&D winner MONSIEUR FANTAISIE showed the benefit of a pair of recent runs when third at Wolverhampton (7.2f) 9 days ago and he's a definite player with a repeat back down at this level. Fact or Fable also ran well when just behind the selection latest and rates a threat with a repeat. Market confidence behind Dandy Lichious and Advindi would also need to be viewed positively, whilst Star of Atlantis isn't dismissed lightly, either.

TIMEFORM VIEW:

A cracking handicap with several of these very interesting for one reason or another. MOON OVER MIAMI looked a potential pattern performer in the making when winning both starts in the spring and while he's been absent since, he's in top hands. GBI RACINGGoing: **Standard**

The all-weather track at Southwell goes left-handed in a flat mile-and-a-quarter oval which has a run from the home turn of three furlongs and a spur to provide a straight five furlongs, those drawn low have often been seen to good effect on the sprint track. The fibresand surface used until August 2021, which produced a lot more kickback than the ones used at the other all-weather courses and lent itself far more to the course specialist, has now been replaced with tapeta.
